### Your project

You are welcome to upload files in non-text formats to respond to this section, or to supplement any of your answers. But please give answers to all the questions or we won't be able to fully assess your application.

If you are uploading files as your answers, please tell us in the relevant fields below.

- **Title of your project**
  - Note: This can be a working title – we understand the wording might change as the work develops.
- **Your project's aims and objectives**
  - Note: Please explain the purpose of the project and what you hope the work will achieve.
- **Project summary**
  - Note: Please provide a brief outline of your project, including the technology you are hoping to use or develop.
- How is your project innovative and why is it needed at this time?
- When do you plan to start the project and when will it finish?
- Please briefly outline your project timetable (i.e. month/year/major activities)
- Does your project need ethical approval?
- **Supporting documents**
  - Click or drag files to this area to upload. You can upload up to 5 files.

## Other people working on the project

- Will you be working on this project with others?
- If yes please give details, explaining your role in the project

## Funding your project

- What is the overall cost of your project? (££)
- How much funding are you requesting from OpenBright? (££)
- If relevant, what other funding applications have you submitted, or plan to submit, regarding this project?
- Are you reliant on this other funding to start and/or complete your project?
- Please provide a breakdown of costs for your project, showing how you intend to spend the money you are asking us for

- Note: Upload a table or spreadsheet in the field below if you wish.
- Supporting financial documents
  - Click or drag a file to this area to upload.

## University contact and validation

Please provide the contact details of a university tutor or supervisor who we can contact about your application. You will need to discuss your project idea with this person, and to confirm that they are aware you are making an application for an OpenBright Award and have given consent for you to share their contact details.

- Name of university tutor or supervisor
- Phone number
- Email address
- University job title/role
- Consent
  - I confirm that I have discussed my project idea and this application with the person named above and they give consent for their contact details to be shared with OpenBright.
- Availability for Q&A sessions
  - I confirm that I am aware of the date and time for the Q&A sessions for the current Call for Applications and can be available for an online conference call if required.
